

MAXISHIFT-E SIT TO STAND DESK

Enhance workplace connectivity and performance

The MaxiShift-E is a versatile electric height adjustable sit to stand module that can be placed on your existing worktop and raised and lowered at the push of a button!

FEATURES AND BENEFITS

The MaxiShift-E suits any desktop. Screens can be placed at the correct distance on the generous worktop and adjustable keyboard tray. A monitor arm can also be attached to the back for more versatility. With a high weight capacity, adjustable tension, and an endless stopping height to 600mm, the MaxiShift-E will suit users of almost any height and screen configuration.
